

**SAVE THE DATE FOR**

**A TIMELY “TREASURED” TOPIC**

**Indiana Central Association of Diabetes Educators presents:**

**Nonalcoholic fatty liver disease (NAFLD) and nonalcoholic steatohepatitis (NASH): Selected practical issues in their evaluation and management**

**with Dr. Raj Vuppalanchi**

**Assistant Professor of Medicine, Indiana University**

**Wednesday, March 10, 2010**

**5:30-7:00pm**

**MCL Cafeteria meeting room, West 86<sup>th</sup> St., Indianapolis**

**There is no fee for ICADE members.**

**Non-members pay \$10 for meal.**

**Schedule: 5:30-6:00** Dinner and Business Meeting

**6:00-7:00** Educational Program with Question and Answer period

**7:00-7:30** Networking

**Target Audience:** Nurse, pharmacist, and dietitian diabetes educators.

**Educational Goal:** The goal of this program is to inform participants about NAFLD and NASH, their impact on persons with diabetes, and interventions for reducing and preventing these two conditions.

**Program Objectives:**

1. Compare and contrast nonalcoholic fatty liver disease (NAFLD) and nonalcoholic steatohepatitis (NASH).
2. Identify appropriate and effective medical and lifestyle interventions based on research thus far.
